If you've ever thought about picking up a golf club, either for the first time or returning once again, you can make golf your sport for a lifetime.

The Get Golf Ready Program is designed to teach you in 5 short lessons everything you'll need to know to step onto a golf course and get out to play with confidence.

Get Golf Ready is taught by PGA and LPGA Professionals who will make sure you have fun each step of the way. The first 4 classes cover the what, when, where, why and how. On the 5th day, you'll finish up by actually playing; keeping score and learning some basic rules like water hazards, out of bounds and lost balls. When all is said and done, you'll put it all to use by playing an entire hole.

ADULT-YOUTH CLINIC

Fee: \$150 per 2 players. Adult-Junior combined. Would you like to spend more time with your Junior Golfer? Tired of your junior golfer beating you on the course? Why not work it out together by signing up for a game improving golf clinic. The bonus is while you get better at golf you spend quality time together. This class is for beginner golfers as well as a refresher for existing players, you do not have to have the same skill level. One student must be 18 and older and the Junior must be 17 and younger. In four weeks we will cover the short game of chipping, pitching, putting and the full swing with woods and irons.
